No. Pol.20/2014

16 January, 2014

Subject: **Installation of Filtration Plants for Water Purification in the Province of Punjab, Pakistan**

Dear President,

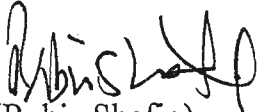

The Government of Punjab, Pakistan has launched an initiative to provide clean drinking water to public. For this purpose, filtration plants for water purification will be installed in the province. The project is being launched in phased manner to provide complete coverage in the next 2 to 3 years. Appropriate funds for the project have already been committed by the Government.

2. Proposals are invited through International Competitive Bidding for pre-qualification of interested firms. Expression of Interest for pre-qualification firms for installation of water filtration plants is enclosed. Pre-qualification documents can be downloaded from [www.punjab.gov.pk](http://www.punjab.gov.pk) (Housing Urban Development & Public Health Engineering Department), Pre-qualifications of firms are invited by Secretary, Housing Urban Development & Public Health Engineering Department, Lahore.

3. It is requested that this information may kindly be circulated to the companies having relevant experience and necessary knowledge registered with the Union of Chambers and Commodity Exchanges of Turkey (TOBB) to undertake this project.

Encl: As above

Yours sincerely,

  
(Rabia Shafiq)  
Counsellor/HOC
