Dear Ma'am:

Greetings!

In view of the magnitude of procurement for modernization projects being undertaken by the Department of National Defense and the Armed Forces of the Philippines, it is imperative that we take all necessary measures to maximize the participation of all prospective bidders and suppliers, and thus ensure the success of the procurement process for all modernization projects. This we feel can be achieved by conducting a Seminar Workshop for foreign bidders and manufacturers regarding the pertinent provisions of RA 9184 and its Revised Implementing Rules & Regulations and RA 10349 (Revised AFP Modernization Act), specifically on the submission of appropriate requirements for modernization acquisition projects.

In this regard, we would like to request your valuable assistance in disseminating this invitation to the suppliers and manufacturers from your country who may wish to participate and/or already participating in the public bidding and negotiations of our modernization projects. The aforesaid seminar will be conducted this coming 28 November 2014.

Further, we respectfully request your office to submit the names of the interested companies, and their respective representatives (a maximum of two (2) Representatives per company), who will attend the seminar, not later than 11 November 2014.

Should you require information about this activity, please contact Engr. Samuel Castro and/or Ms. Juvyra D. Ariles, Office of the Assistant Secretary for Acquisition, Installations and Logistics (OASAIL) at telephone number (+63) 982-5657/5791.

Thank you.

Very truly yours,

ASEC PATRICK, M. VELEZ, MNSA
Assistant Secretary for Acquisition,
Installations and Logistics
