Subject: Tenders since 1993 in africa

Dear Sir, Madam,

I am Mohammed SMAALI, councillor in ITISSAL TECHNOLOGIES, writing you from rabat in Morocco,

I would like to introduce my company because i really think that it can be a very good opportunity for us to think about a tight collaboration.

We are operating in tenders opportunities since 1993 in Morocco through our website www.maroc-business.com . This year we have mapped more than 60 000 thousand opportunities all over morocco cut into hundreds of sectors. We also provide : Projects and News , Contract Awards, Purchaser's Profile, Country Profile, Sector Profile, Document Procurement, Document Submission, Bid Opening Meeting, Attend Pre-Bid Meeting.

Then after the enthusiasm and effect of business in Africa we decided to open the african platform of business , www.africaal.com wich mapped this years 2014 over 210 000 opportunities intenders, bids, services..

Today it's about 3000 clients who consults our platforms to check business they would like to participate to or met others clients to co-work or sub contrat in big tenders.

We also have agencies support in all morocco for our clients, and assistance device in market.

We really would like to introduce ourself and try to make some close partnership because lot european companies would be very interested by those add value services we provide in the country and continent.

If you have any questions or concerns, don't hesitate to let me know. I am looking forward to hear from you.

Cordialement,

Mohamed SMAALI
