To whom it may concern

We are honored to inform you on the privatization process carried out in the Republic of Azerbaijan.

In Azerbaijan as an energy country that is rich in hydrocarbon resources, the programs aimed at the improving of non-oil sector ensure attractive opportunities for foreign investors by enhancing the business environment day by day.

Participating in the privatization process, you could obtain state-owned assets with complete transparency and economically favourable terms in a short period of time. Currently, enterprises comprising chemical, machinery, building materials' production, agricultural, food and light industries, communications, construction, transport, healthcare, tourism, infrastructure, service sectors and other areas are available for privatization.

The participation in the privatization, will create favorable opportunities for your company to acquire unique access not only to the Azerbaijani market but also, to the markets of - Russia, Georgia, Turkey, Iran, Central Asian countries and others (in general the population of these countries is about 500 million people).

In order to ensure transparency and prompt awareness of the privatization process the State Committee on Property Issues of the Republic of Azerbaijan, as the responsible state authority, has developed an electronic Privatization Portal. The detailed and permanently updated information on enterprises to be privatized can be obtained at www.privatization.az and www.emdk.gov.az.

Should you be interested in the privatization in Azerbaijan, or have any questions please do not hesitate to contact us at office@emdk.gov.az.

We look forward to welcoming you in Azerbaijan soon.

Yours sincerely,

Rafiq Jalilov
