**RE: REQUEST FOR EXPRESSION OF INTEREST IN THE HEALTH
SECTOR OF THE REPUBLIC OF UGANDA**

Uganda's healthcare system is divided into national and district-based levels. At the national level are the national referral hospitals, regional referral hospitals, and semi-autonomous institutions including the Uganda Blood Transfusion Services, the National Medical Stores, the Uganda Public Health Laboratories and the Uganda National Health Research Organization (UNHRO).

Today the Government of the Republic of Uganda is in the process of improving this sector and the following projects have been highlighted for development and installation;

Project Title	ENERGY FOR RURAL TRANSFORMATION PROJECT III – HEALTH COMPONENT
Project site/ location	NATIONWIDE

Project Description:

The ERT Project III will be implemented in the Districts of Alebtong, Buhweju, Buvuma, Hoima, Kaliro, Kamuli, Kapchorwa, Kasese, Kiboga, Kisoro, Kween, Kyankwanzi, Lira, Manafwa, Nakasongola, Namayingo, Otuke, Rubirizi, Busia, Butaleja, Gomba, Lwengo and Namutumba. The District were selected on the basis of the low rural electrification rate and excluded Districts that already benefited from ERT I & II and those are earmarked to benefit from the United Nations Foundation Sustainable Energy for All (SE4ALL) initiatives.
