Notice Inviting Tenders (INTERNATIONAL COMPETITIVE BIDDING)

Tender No. CVPP/Cont-II/KWAR/HM-PKG/2017

Dated: 27.10.2017

1. Chenab Valley Power Projects [P] Ltd. (CVPP) invites sealed Tenders from the eligible Contractors for the following work :

Name of Work & Package No.	Earnest Money/ Bid Security	Cost of Document	Time Allowed for completion (in months)
(1)	(2)	(3)	(4)
Design, Procurement, Manufacture, Inspection, Shop Assembly, Testing, Painting, Transportation, Site Storage & Site Erection, Testing & Commissioning of Radial Gates, Vertical Gates, Stoplogs, Gantry Cranes, Trashracks, Trashrack Cleaning Machine, Steel Liner for Pressure Shafts of KWAR HE Project	US\$ 0.41 million or Rs 2.65 Cr.	Rs. 22,400	48 months

2. Tender documents consisting of PQ Criteria, Scope of Work, Technical specifications, drawings, the Bill of Quantities of Work to be done and the set of Terms & Conditions of contract to be complied with by the Contractor can be seen in the office of the General Manager (Contracts-II), Division, CVPP Office, Chenab Jal Shakti Bhawan, Opposite Saraswati Dham, Rail Head Complex Jammu, during office hours of 09.00AM to 05.30 PM. on any working day during period of Sale of Tender. Tender documents will be issued from his office during the hours specified above, on payment of cost of tender document (non-refundable) by demand draft in favour of Chenab Valley Power Projects Pvt. Ltd. payable at Jammu during period of Sale of Tender.

Micro and Small enterprises (MSEs) Units under their Single Point Registration Scheme for the goods/services at NSIC or District Industries Centre (DIC) or Khadi and village Industries Commission (KVIC) or Khadi Village and Industries Board (KVIB) or Coir Board or Directorate of Handicrafts and Handlooms or any other body specified by Ministry of MSME or MSEs having Udyog Aadhar Memorandum are exempted from furnishing the cost of tender document fees. They should furnish a Notarized copy of the valid registration certificate/ Entrepreneurs memorandum (EM-II) details/ other relevant documents issued by above board/body in their favour, for the goods / services covered under this tender document. No other bidders are exempted from furnishing cost of tender fee as mentioned above.

Tender document shall also be available for downloading at CVPP Website www.cvppindia.com on payment of requisite fees or NEFT payments into "Chenab Valley Power Project Private Limited" Bank Account in J&K Bank Jammu, Account No. 0022010100000161 (IFSC code JAKA0ERAILH).

The Tender document shall be available for Sale to the interested bidders from 06.11.2017 to 05.01.2018.

Tender documents requested by mail will be dispatched by registered/speed post on payment of an extra amount of Rs. 1000. The authority inviting tenders will not be held responsible for the postal delay, if any, in the delivery of the documents or non-receipt of the same.

3. **Pre-bid Meeting:** - A pre-bid meeting open to all prospective bidders will be convened on 06.12.2017 at 1100 Hrs at the Office of Chenab Valley Power Projects Private Ltd, Chenab Jal Shakti Bhawan, Opposite Saraswati Dham, Rail Head Complex, Jammu-180012
4.
 - a) Tender documents must be delivered to the office issuing Tender document, on or before deadline for submission of Bids i.e. 08.01.2018 up to 15:00 hours. If the office happens to be closed on the date of receipt of the bids as specified, the bids will be received on the next working day at the same time and venue.
 - b) Bids will be opened immediately after deadline for submission of Bid in the same office.
 - c) Bids received late shall not be entertained.
5. **Brief Scope of Work**
Design, procurement, manufacture, inspection, shop assembly, testing, painting, transportation, site storage & site erection, testing and commissioning of Hydro-Mechanical Works for Kwar HEP consisting of
 - 4 no. Construction Sluice Gates of size 3.1 m x 5.0m,
 - 4 No. Orifice Spillway Radial Gates, 9.5m wide x 13.8m high with Hydraulic Hoists.
 - 1 no. Crest Spillway Radial Gate of size 9.5m x 17.0m with hydraulic hoist and 1 set of Stoplogs for Crest spillway with Gantry Crane common for orifice spillway and crest spillway,
 - Steel liners for Spillway Glacis, Piers and Breast Wall for Orifice Spillways,
 - 01 no. slide type gate for opening size of 2.6m x 2m height for Environmental Release.
 - 04 nos. fixed wheel type Intake gates for opening size of 5.65m x 5.65 m, Intake Bulkhead Gate for with Gantry Crane.
 - One set Intake Trash Rack 13.68 m (wide) x 32.7 m (Inclined Height),
 - 04 no. draft tube gates with rope drum hoists for opening size of 7m x 7 m,
 - 02 no. Tail race outlet gates with rope drum hoist for opening size of 9.5m x 9.5m,
 - 04 nos. Pressure Shaft/Penstock Liners.

6. Tenders must be accompanied by the earnest money of the amount specified for the work in the table.
7. The bid for the work shall remain valid for acceptance for a period of 180 (one hundred eighty days) from the due date of submission of bid or any amendment thereof. If any bidder withdraws his bid before the said period or makes any modifications in the terms and conditions of the bid, the said earnest money shall stand forfeited.
8. Owner/Employer /CVPP reserves the right to cancel the tendering process at any time before award of Work.

9. Eligible Bidders

Eligibility/Qualification Requirement for the Bidders is as under:

- 9.1 This Invitation for Bid is open to all International/Domestic Companies/Firm meeting the Eligibility criteria.
- 9.2 Bidders should not be under a declaration of ineligibility for corrupt and fraudulent practices or blacklisted on any other consideration by the Central Government, the State Government or any public undertaking, autonomous body, authority by whatever name called under the Central or the State Government. If any bidder has been blacklisted /declared ineligible for such practices in his country of origin or some other country, he shall also be considered ineligible for the present tender.

10 Qualification of the Bidder

- 10.1 All bidders shall provide the information for Qualification and description of the proposed work method and schedule, including drawings and charts, as necessary.
- 10.2 All bidders shall include the following information and documents with their bids unless otherwise stated in the ITB:
 - a) Copies of original documents defining the constitution or legal status, place of registration, and principal place of business; written power of attorney of the signatory of the Bid to commit the Bidder;
 - b) Total monetary value of similar works performed for each of the last three years;
 - c) Experience in works of a similar nature and size in the last twenty years, and details of works in progress or contractually committed with certificates from the concerned officer of the rank of Executive Engineer or equivalent;
 - d) Details of the technical personnel proposed to be employed for the Contract.
 - e) Reports on the financial standing of the Bidder, such as Balance sheet, profit and loss statements and auditor's reports for the past three years;
 - f) Information regarding any litigation or arbitration during the last five years in which the Bidder is involved, the parties concerned, the disputed amount, and the matter;
 - g) The proposed methodology and programme of Construction of HM works, backed with equipment and material planning and deployment, duly supported with broad calculations, justifying their capability of execution and completion of the work as per technical specifications and within the stipulated period of completion.

10.3. A To qualify for award of the Contract, each bidder should meet the following Technical and Financial Criteria

Technical Criteria

Technical Criteria

10.3. A.1 General Experience

Experience as Prime Contractor or as partner in a JV or Sub-Contractor approved by the Employer of executing at least one Hydro-mechanical work of Contract value in INR 1326.89 million or equivalent US\$ 20.62 million in last 20 years.

Escalation weightage factor for the value of works considered during last 20 years from the year of execution to the level of year of submission of bid based on indices (75% WPI & 25% CPI).

In support of above, bidder should provide notarized copy of supply order along with completion certificate.

10.3. A.2 Specific Construction Experience

A) Radial Gate (Submerged/Crest) operated by hydraulic hoist

Experience of successful execution either by the Bidder Company itself or by the proposed manufacturer(s) who have given authorization to the Bidder in required format in Designing, manufacturing, installation, testing & commissioning of Submerged/Crest type Radial Gates operated by Hydraulic Hoists, having $A \times H > 3606 \text{ m}^3$ in last 20 years (from start to finish).

B) Vertical Lift Gates (Fixed Wheel Type) operated by hydraulic hoist or rope drum hoist

Experience of successful execution either by the Bidder Company itself or by the proposed manufacturer(s) who have given authorization to the Bidder in required format in Designing, manufacturing, installation, testing & commissioning of Fixed Wheel Type Vertical Lift Gates operated by Hydraulic Hoist or Rope drum hoist having $A \times H > 1209 \text{ m}^3$ in last 20 years (from start to finish).

C) Steel Liner for Pressure Shaft/ Penstock

Experience of successful execution either by the Bidder Company itself or by the proposed manufacturer(s) who have given authorization to the Bidder in required format in Designing, Fabrication/Manufacturing, Erection, Testing & Commissioning

of Steel Liner for Pressure Shafts having $D \times H > 394 \text{ m}^2$ in last 20 years (from start to finish).

In support of above, bidder should provide notarized copy of completion certificate indicating successful completion of complete scope of work as per award.

Where;

- 'A' denotes an area (Clear width by clear height) for one gate in m^2 .
- 'Clear Width' denotes distance inner faces of two opposite piers.
- 'H' (for gates) denotes the normal design head at the bottom of the gate in meter.
- 'D' denotes maximum inside diameter in meter of a steel liner.
- 'H' (for steel liner) denotes the maximum design head in meter.

D) Trash Rack Cleaning Machine (TRCM)

Experience of successful execution either by the Bidder Company itself or by the proposed manufacturer(s) who have given authorization to the Bidder in required format in Designing, Manufacturing, Supply, Installation, Testing & Commissioning of TRCM having as under in last 20 years (from start to finish).

- i) Trash handling capacity 1600 Kg and more
- ii) Rack bucket width 2.24m and more.
- iii) Integrated Hydraulic Grapppler/Gripper with lifting capacity 800 Kg & outreach/depth 6.4m and more.

Notes:

- (a) *Experience of Supervision of erection testing and commission of Bidder shall be considered at par with own erection, testing & commissioning of HM equipment's.*
- (b) *Start and completion date for General Experience & Specific Experience shall fall within the preceding 20 years reckoned from the last day of the month previous to the one in which Tender is invited.*
- (c) *For conversion to US\$, the exchange rate as on date of award and award value shall be considered for calculation of General experience criteria and completion certificate indicating successful completion of complete scope of work as per award shall be appended as experience certificate.*
- (d) *For specific experience criteria, bidder should have executed one or more works of similar nature and magnitude as specified above.*

10.3. B Financial Capacity /Criteria

10.3. B.1 Financial parameters

a) Turnover

Minimum average annual turnover of the Bidder shall not be less than INR 1326.89 million or equivalent US\$ 20.62 million or equivalent over the preceding three (3) years.

b) Net worth:

The Net worth of the Bidder to be positive and not less than the amount of paid up Equity share capital in preceding 3 years.

The Net Worth shall be calculated based on subscribed and paid up Share Capital plus Share Premium Plus Free Reserves Plus Unallocated Balance/ Surplus amount of Profit and Loss account, less (a) Expenses not written off, (b) Accumulated losses in Profit & Loss account, if not reduced from reserves and surplus. The Revaluation Reserve, Capital Reserve and amount of intangible assets like goodwill etc. will not be taken into account while calculating the Net Worth.

c) Working Capital:

The minimum Working Capital (current assets minus current liabilities) shall not be less than INR 110.57 million or equivalent US\$ 1.72 million.

For this purpose, current assets and current liabilities will be considered as classified in the audited balance sheet for the year immediately preceding the date of opening of Applications. In case current assets and/or current liabilities are not classified separately in the audited Balance sheet, a certificate from Statutory auditors/ CPA carrying out the Statutory Audit, for current assets and/or current liabilities, as the case may be, clearly defining the items considered for the same, should be enclosed. However, trade payables shall be a part of current liabilities. If the Working Capital calculated from the audited Balance Sheets is negative, then such working capital shall be treated as zero. In case there is a shortfall in the Working Capital as per this, the unutilized Cash Credit Limits sanctioned to the Bidder by the Banks/Financial Institutions of international repute shall be considered to meet the shortfall.

The statement displaying Cash Credit limits should not be more than three months old as on the last date for submission of Bids.

Notes:

1. Other income shall not be considered for arriving at Average Annual Turnover.
2. The Bidder's financial evaluation vis a vis the requirement as stipulated above shall be done on the basis of duly printed (offset) Annual Report for the immediately preceding 05 (Five) years submitted by the Bidder along with the Bid. Further, standalone Audited Annual Financial Statement of Bidder shall be forming part of the Annual Report.

In case, if Bidder has not submitted the above Annual Report along with Bid, then a certificate from CEO/CFO of the Bidder shall be submitted along with the Bid mentioning that the requirement of Annual Report as per governing law of country is not mandatory. In such cases duly notarized copies of Audited Printed Annual Financial statement (Balance sheet, Profit & Loss statement, Cash Flow statement, Auditor's Report thereon including all relevant Schedules/Annexure etc.) for the immediately preceding 5 (five) years be submitted by the Bidder along with the Bid.

3. In case where Audited financial results for the immediately preceding year are not available, then a statement of account as on the closing date of the immediately preceding financial year depicting the Turnover, Working Capital and Net Worth (calculated as per laid down criteria) duly certified by their Statutory Auditor/ Certified Public Accountant carrying out the Statutory Audit shall be enclosed with the Bid along with the copy of appointment letter of the Statutory Auditor/CPA as statutory auditor.
4. Wherever, Annual Report/ duly notarized copies of Audited Printed Financial Statement are in language other than English, then copy duly translated & printed into English language and certified by approved/ recognized English translator shall be submitted with Bid.
5. For conversion to US \$ the exchange rate(s) prevailing on the last date of the respective accounting year(s) shall be considered.

10.3. B.2 Bid Capacity

The available Bid Capacity of the bidder at the time of submission of Price Bid, calculated, as under should not be less than INR 2653.48 million or equivalent US\$ 41.23 million.

Available Bid Capacity = $2.0 \times A \times N - B$,

Where;

A = Maximum value of works executed in any one year during last 3 years.

N = Number of years prescribed for completion of the subject contract package.

B = Value of existing commitments (as on bid submission date) and ongoing works to be completed in the next 'N' years.

Bid capacity shall be the qualification criteria and shall be submitted at the time of qualification, but the bid capacity shall be assessed at the time of submission/opening of price bid.

The Bidder shall submit documentary evidence with a certificate from statutory auditor for establishing Bid Capacity and shall not be older than 3 months from the last date of Submission /Opening of Bids.

10.4 Nature of Bidders:

Bidder should be a single entity or a Joint Venture formed for participation in the tendering for this package. Bids from subsidiary Company shall also be considered.

10.4.1 Joint Venture Bidders

Joint Venture bids shall comply with the following minimum qualifying requirements: The number of partners/members in the Joint Venture including the lead partner shall not exceed two (2) with one of the partner designated as Lead partner.

- i) **The Lead Partner to fully meet the following:**
 - General construction experience criteria specified in para 10.3.A.1
 - Specific construction experience criteria as specified in Para 10.3.A.2 (A) & 10.3.A.2 (B)
 - Average Annual Turnover not less than 50% of criteria specified under Financial Capacity.
 - Working Capital Requirement specified under Financial Capacity.
- ii) **The other partner to meet the following:**
 - Average annual turnover not less than 20% of criteria specified under Financial Capacity.
 - Specific construction experience criteria specified in Para 10.3.A.2 (C) and/or 10.3.A.2 (D).
- iii) **The Specific Experience of each component structure to be met individually by lead partner and/ or other Partner/member as the case may be.**
- iv) **JV shall be allowed to engage 1 no. Sub-contractor to meet balance specific Experience criteria in Para 10.3.A.2(C) and/or 10.3.A.2(D).**
- v) **All the partners/members of the Joint Venture to individually fulfil the Net Worth criteria specified under Financial Capacity.**
- vi) **The Joint Venture to collectively satisfy as a whole the financial as well as technical requirements specified.**
- vii) **The "Bid Capacity" requirement should be satisfied by individual partner of Joint Venture in proportion to their participation share of works in Joint Venture.**
- viii) **The parties shall be required to form the JV before applying for tender, which shall be evinced by submitting a copy of the JV agreement already entered into for the purpose. The JV agreement should contain the role and responsibility of each constituent, the proposed participation share of each partner along with the items of work to be executed by each partner. It shall also be brought out in the JV agreement that in case the Contract is awarded to the JV, each partner of the JV shall be responsible for execution of that item of work for which he claims to have Specific Experience.**

- ix) Lead partner of the Joint Venture should have at least 50% share.
- x) Sub-contractor shall submit Performance Bank Guarantee equivalent to 5% of value of the Work sublet in addition to the performance Bank Guarantee for whole contract submitted by the Bidder on award of work.

10.4.2 Applicants/ bidders with Sub - Contractors

In case the Applicant does not have all requisite specific experience and also does not wish to enter into a Joint Venture or wants to restrict the Joint Venture partnership, he can associate sub-contractor for specific activities which he does not have the relevant experience. The criteria to be met by such applicant shall be follows:

- i) The Bidder himself to fully meet the following:
 - General Construction Criteria experience specified in para 10.3.A.1
 - All Criteria mentioned under Financial capacity.
 - Specific construction experience criteria for Para 10.3.A.2 (A) & 10.3.A.2 (B).
- ii) The number of Sub-contractors/Manufacturers not the exceed two (2) for meeting the specific experience Criteria.
- iii) The Component work for which the Bidder is proposing Sub-contractor/ manufacturers shall be clearly stated in bidder's Submission.
- iv) The proposed sub contractor(s)/manufacturer(s) to individually meet at least one or more of the Specified criteria for the component work listed under Specific Experience requirement.
- v) The Bidder and his subcontractor(s)/manufacturer(s) should submit separate undertakings that the Bidder/subcontractor(s)/manufacturer(s) shall be responsible for execution of that item of work for which they claim to have Specific Construction Experience.
- vi) The Bidder and his proposed subcontractor(s)/manufacturer(s) should collectively satisfy as a whole all the Specific experience requirements.
- vii) Sub-Contractor shall submit Performance Bank Guarantee equivalent to 5% of value of the Work sublet in addition to the performance Bank Guarantee for whole contract submitted by the Bidder on award of work.

10.4.3 Applicants by Merged/Acquired/Subsidiary Companies:

In case of an Bidder Company, formed after merger and/or acquisition of other companies, past experience and other antecedents of the merged / acquired companies will be considered for qualification of such Bidder Company provided such Bidder Company continues to own the

requisite assets and resources of the merged/acquired companies needed for execution and successful implementation of the work package put to tender.

Similarly, if the Bidder Company is a subsidiary Company and participates in the Tender on the unconditional technical and financial strength of the parent/Holding Company, the same shall be considered provided the Parent/Holding Company commits to sign a separate Agreement with CVPPPL (in the requisite Format) confirming full support for the technical and financial requirements of the Subsidiary Company and commits to take up the work itself in case of non-performance by the Subsidiary Company in the event of award of the work to the Bidder Subsidiary Company. An undertaking by the Parent/Holding Company to this effect shall be submitted along with the Bid (in the requisite Format). A Subsidiary Company intending to qualify on the strength of Parent/Holding Company shall not be allowed to participate as a 'Sub-Contractor'/Manufacturer.

For the purpose stated herein above in this clause, 'Parent Company' shall mean the 'Holding Company' owning majority (more than 50%) shares of such Bidder (Subsidiary) Company. Similarly, by extensions of this interpretation, if "A" is owned by a 'Holding Company' "B" which in turn is owned by another 'Holding Company' "C" then "C" is construed as the 'Parent Company' of "A" as well as and so on. An apex 'Parent Company' may own number of independent Subsidiary/Group Companies and if any of these Subsidiary/Group Company commits assured support and unhindered access to its assets and resources to another Subsidiary/Group Company (Bidder in this case) under the same apex 'Parent Company' then experience and other credentials of such Subsidiary/Group Company shall be considered for Pre-Qualification of the Bidder Subsidiary Company provided such commitment is evidenced/authorized and guaranteed by the apex 'Parent Company'.

In case Bidder Company (Subsidiary Company) gets qualified and awarded the work package, the Parent/Holding Company will be required to furnish an additional Performance Bank Guarantee of value equivalent to (5%) five percent of the Contract Price for portion of work (where the subsidiary Company is Joint Venture Partner) as the case may be, in addition to normal Performance Bank Guarantee to be submitted by the Bidder Company to the Employer besides entering into a separate Agreement (in the requisite Format).The experience of Subsidiary Companies of the Parent/Holding Company will be considered experience of the Parent/Holding Company.

In case a Subsidiary Company participates on the strength of its Apex Parent company', the Consolidated Financial Statement of Apex Parent 'Company' shall be considered for evaluation of Financial Capacity of the bidder.

- 10.4.4 The evaluation of Bidder's Specific Experience for a work executed on the JV basis shall be based on his role and scope in such Joint Ventures. To establish his role and scope of work in such joint Ventures contracts, the Bidder shall adduce documentary evidence such as JV agreement/contract of the work of his claimed experience.

The experience of Bidder who has executed the work as a member of Joint Venture shall be considered in fulfillment of Qualifying Requirements provided:

- a) The allocation of scope of work between the partners of the Joint Venture is clearly defined in the executed JV agreement/contract and bidders/each, partner of JV's scope of work executed by him as individual contribution in Joint Venture meets the Qualifying Requirement.
- b) In case there is no specific allocation of work for any work component between the partners of the integrated Joint Venture as per the executed JV agreement/Contract, then the work experience of the integrated Joint Venture can be claimed by bidder/each partner of JV, provided each partner of JV's share in the afore said Joint Venture was atleast 35%.

10.4.5 For the Component of work executed through a sub-contractor, experience for that component of work can be claimed by the contractor in fulfilment of Bidder's specific experience, only if Planning and Supervision control was exercised by the contractor himself over the work.

11. (a) Each bidder must produce:

- i. The current income-tax challan, PAN No. GSTIN and EPF Registration No.;
- ii. A declaration that the information furnished with the bid documents is correct in all respects; and
- iii. Such other certificates as defined in the ITB. Failure to produce the certificates shall make the bid non-responsive.

(b) Each bidder must demonstrate:

Availability of technical personnel for construction of work.

- 12.** Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:
 - (i) made misleading or false representations in the forms, statements, declarations and attachments submitted in proof of the qualification requirements; and/or
 - (ii) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
- 13.** The Employer may impose certain restrictions on the foreign companies participating in any form and their employees in view of the National Security, in the Project situated in the sensitive region and border areas. The Employer shall obtain clearance of Govt. of India regarding security implications prior to qualification of such Company.
- 14.** Any corrigendum/modification to Bid documents shall be available on website only and the Bidders are advised to visit the site regularly before deadline for submission of Bids.
- 15.** Employer deserves the right to reject the bid at any time during tendering process without assigning any reasons thereof.

16. Bidders are requested to submit **Soft Copy (PDF File)** of the Complete Technical Bid Submission in CD/pen Drive in following folders for expeditious evaluation of the Technical Bids by the Committee Members:

- Legal Documentation (MOU/MOA/AGOA/POA etc.)
- Financial Criteria (B/S, other documents for Financial Criteria)
- Technical Qualification Criteria (Certificates/ Other Documents for Technical Criteria)
- Technical Proposal

4.
 - a) Tender documents must be delivered to the office issuing Tender document, on or before last date for submission of Bids i.e. 07.03.2018 up to 15:00 hours. If the office happens to be closed on the date of receipt of the bids as specified, the bids will be received on the next working day up to 15:00 hours.
 - b) Bids will be opened immediately after deadline for submission of Bid in the same office.
 - c) Bids received late shall not be entertained.
5. **Brief Scope of Work**
Design, Manufacture, Supply, Erection, Testing & Commissioning of Turbines, Generators, Associated Accessories and Auxiliaries, Auxiliary Electrical Equipment, Mechanical Equipment, 400 KV GIS, 400 KV Outdoor Pothead Yard Equipment and handing over to Employer all E&M equipment of 4 X 135 MW Kwar Hydroelectric Project in Kishtwar district of Jammu and Kashmir, conforming to latest internationally accepted technologies and practices, with supply of necessary spares for five (5) years trouble free operation for above Equipment.)
6. Tenders must be accompanied by the earnest money of the amount specified for the work in the table.
7. The bid for the work shall remain valid for acceptance for a period of 180 (one hundred eighty days) from the due date of submission of bid or any amendment thereof. If any bidder withdraws his bid before the said period or makes any modifications in the terms and conditions of the bid, the said earnest money shall stand forfeited.
8. Owner reserves the right to cancel the tendering process at any time before award of Work.
9. **Eligible Bidders**

Eligibility/Qualification Requirement for the Bidders is as under:
 - 9.1 This Invitation for Bid is open to all ~~International/Domestic Companies~~ meeting the Eligibility criteria.
 - 9.2 Bidders should not be under a declaration of ineligibility for corrupt or fraudulent practices or blacklisted on any other consideration by the Central Government, the State Government or any public undertaking, autonomous body, authority by whatever name called under the Central or the State Government anywhere in any country.
10. **Qualification of the Bidder**
 - 10.1 All bidders shall provide the information for Qualification and description of the proposed work method and schedule, including drawings and charts, as necessary.

10.2 All bidders shall include the following information and documents with their bids unless otherwise stated in the ITB:

- a) Copies of original documents defining the constitution or legal status, place of registration, and principal place of business; written power of attorney of the signatory of the Bid to commit the Bidder;
- b) Total monetary value of similar works performed for each of the last three years;
- c) Experience in works of a similar nature and size in the last (20) twenty years, and details of works in progress or contractually committed with certificates from the concerned officer of the rank of minimum Executive Engineer or equivalent.
- d) Details of the technical personnel proposed to be employed for the Contract.
- e) Reports on the financial standing of the Bidder, such as Balance sheet, profit and loss statements and auditor's reports for the past three years;
- f) Information regarding any litigation or arbitration during the last (05) five years in which the Bidder is involved, the parties concerned, the disputed amount, and the matter;

10.3 To qualify for award of the Contract, each bidder should meet the following Technical and Financial Criteria

10.3.1. General Experience

Experience as prime contractor or as partner in a Joint Venture or sub-Contractor approved by the Employer of executing large Electro-mechanical contract value in INR 5233.95 Million or more or equivalent US \$ 81.33 million or more in last 20 years.

Escalation weightage factor for the value of works considered during last 20 years from the year of execution to the level of year of submission of bid based on indices (75% WPI & 25% CPI).

In support of above, bidder should provide notarized copy of supply order along with completion certificate.

10.3.2. Specific Experience

Successful experience, either by the Bidder Company itself or by the proposed manufacturer who have given authorization to the Bidder in required format in design, manufacturing, erection, testing and commissioning of the following electro-mechanical items and/or works in preceding Twenty (20) years for:

- i) Turbine
~~Design, Manufacture, installation, testing and commissioning of Vertical Francis Turbine~~ having rated output of 81 MW or higher
- ii) Generator
Design, Manufacture, installation, testing and commissioning of Vertical shaft synchronous generator having rated output of 90 MVA or higher.
- iii) Main Inlet Valve
Design, Manufacture, installation, testing and commissioning of Butterfly type Main inlet valve or Penstock Butterfly valve of diameter 2.76 m and design head of 100.4 m (above values are minimum and higher dimensions/heads are acceptable).

In support of above, bidder should provide notarized copy of completion certificate indicating successful completion of complete scope of work as per award.

Notes:

- (a) Experience of Supervision of erection testing and commission of Bidder shall also be considered at par with own erection, testing & commissioning of E&M equipment.
- (b) The start and completion dates to be adopted for evaluation should fall within the preceding 20 years reckoned from 31.10.2017 (Start and Finished date of the work should fall in between 01.11.1997 to 31.10.2017).
- (c) For conversion to US\$, the exchange rate as on date of award and award value shall be considered for calculation of General experience criteria and completion certificate indicating successful completion of complete scope of work as per award shall be appended by Bidder(s) as experience certificate.
- (d) For specific experience criteria, bidder should have executed one or more works of similar nature and magnitude as specified above.

10.3.3 Financial Capacity/Criteria

10.3.3.1 Financial parameters

a) Turnover

Minimum average annual turnover of the Bidder shall not be less than INR 4000 million or equivalent US\$ 62.15 million over the preceding three (3) years.

b) Net worth:

The Net worth of the Bidder to be positive and not less than the amount of paid up Equity share capital in preceding 3 years.

The Net Worth shall be calculated based on subscribed and paid up Share Capital plus Share Premium plus Free Reserve plus Unallocated Balance/ Surplus amount of Profit and Loss account, less (a) Expenses not written off, (b) Accumulated losses in Profit & Loss account, if not reduced from reserves and surplus. The Revaluation Reserve, Capital Reserve and amount of intangible assets like goodwill etc. will not be taken into account while calculating the Net Worth.

c) Working Capital:

The Working Capital requirement is calculated as Two times monthly cash flow requirement. The minimum Working Capital (current assets minus current liabilities) shall not be less than INR 410.51 million or equivalent US\$ 6.38 million.

For this purpose, current assets and current liabilities will be considered as classified in the audited balance sheet for the year immediately preceding the date of opening of Bids. In case current assets and/or current liabilities are not classified separately in the audited Balance sheet, a certificate from Statutory auditors/ CPA carrying out the Statutory Audit, for current assets and/or current liabilities, as the case may be, clearly defining the items considered for the same, should be enclosed. However, trade payables shall be a part of current liabilities. If the Working Capital calculated from the audited Balance Sheets is negative then such working

capital shall be treated as Zero. In case there is a shortfall in the Working Capital as per this, the unutilized Cash Credit Limits sanctioned to the Bidder by the Banks/Financial Institutions of international repute shall be considered to meet the shortfall.

The statement displaying Cash Credit limits should not be more than three months old as on the last date for submission of bids.

Notes:

1. Other Income shall not be considered for arriving at Average Annual Turnover.
2. The Bidder's financial evaluation vis a vis the requirement as stipulated above shall be done on the basis of duly printed (offset) Annual Report for the immediately preceding 5 (Five) years submitted by the Bidder along with the Bid. Further, standalone Audited Annual Financial Statement of Bidder shall be forming part of the Annual Report.

In case, if Bidder has not submitted the above Annual Report along with Bid, then a certificate from CEO/CFO of the Bidder shall be submitted along with the Bid mentioning that the requirement of Annual Report as per governing law of country is not mandatory. In such cases duly notarized copies of Audited Printed Annual Financial statement (Balance sheet, Profit & Loss statement, Cash Flow statement, Auditor's Report thereon including all relevant Schedules/annexure etc.) for the immediately preceding 5 (five) years be submitted by the bidder along with the bid.

3. In case where Audited financial results for the immediately preceding year are not available, then a statement of account as on the closing date of the immediately preceding financial year depicting the Turnover, working capital and Net Worth (calculated as per laid down criteria) duly certified by their Statutory Auditor/ Certified Public Accountant carrying out the Statutory Audit shall be enclosed with the Bid along with the copy of appointment letter of the Statutory Auditor/CPA as statutory auditor.
4. Wherever, Annual Report/ duly notarized copies of Audited Printed Financial Statement are in language other than English, then copy duly translated & printed into English language and certified by approved/ recognized English translator shall be submitted with Bid.
5. For conversion to US\$ the exchange rate at the end of respective accounting year shall be considered.

10.3.3.2 Bid Capacity

The available Bid Capacity of the bidder at the time of opening of Bids, (technical as well as price bid) calculated as under should not be less than INR 10467.9 million or equivalent US\$ 162.65 million which has been calculated as per formula:

$$\text{Available Bid capacity} = 2.0 \times A \times N - B$$

Where:

A = Maximum value of Works executed in one year during last 3 years

N = Number of years prescribed for completion of the subject contract package.

B = Value of existing commitments (as on last date of bid submission) and on-going works to be completed in next "N" years.

Bid capacity shall be the qualification criteria and shall be submitted at the time of qualification, but the bid capacity shall be assessed at the time of submission/opening of price bid.

The Bidder shall submit documentary evidence with a certificate from statutory auditor for establishing Bid capacity and shall not be older than 3 months from the last date of submission of Bids.

Note: Price bid of only those bidders shall be opened who qualify Bid capacity criteria as per clause no 10.3.3.2 of NIT. Date for the opening of price bid shall be intimated separately to the qualified bidders.

10.4 Nature of Bidders:

Bidder should either be a Single Entity or Joint Venture of 2 companies in association with Manufacturer(s) for participating in the bidding process for the package subject to meet the following requirements. Bids from subsidiary company may also be considered.

10.4.1 Joint Venture Bidders:

Joint Venture (JV) bidders shall comply with the following minimum qualifying requirements:

- (i) The number of partners in the Joint Venture not to exceed two (2) with one of the partners designated as Lead Partner.
- (ii) The Lead Partner to fully meet the following:
 - General Experience criteria specified in Para 10.3.1
 - Specific Experience Criteria as specified under Para 10.3.2 (i) or 10.3.2 (ii).
 - Average Annual Turnover not less than 50% of criteria specified under Financial Capacity.
 - Working Capital Requirement specified under Financial Capacity.
- (iii) The other partner to individually meet the following:
 - General Experience criteria specified in Para 10.3.1
 - Average Annual Turnover not less than 20% of criteria specified under Financial Capacity.
 - ~~Specific Experience Criteria as specified under Para 10.3.2 (i) or 10.3.2 (ii), other than that met by the lead partner.~~
- (iv) JV shall be allowed to engage only one Sub-contractor/ Manufacturer to meet the specific Experience Criteria specified under Para 10.3.2 (iii).
- (v) The Specific Experience of each component to be met individually by the Lead Partner and/or other Partner/member as the case may be, and not collectively.
- (vi) All the partners/members of the Joint Venture to individually fulfil the Net Worth criteria specified under Financial Capacity.
- (vii) The Joint Venture and sub-contractor/manufacturer to collectively satisfy as a whole,

requisite assets and resources of the merged/acquired companies needed for execution and successful implementation of the work package put to tender.

Similarly, if the Bidder Company is a subsidiary Company and applies for qualification on the unconditional technical and financial strength of the Parent/Holding Company, the same shall be considered provided the Parent/Holding Company commits to sign a separate Agreement with CVPPP]Ltd. confirming full support for the technical and financial requirements of the Subsidiary Company and commits to take up the work itself in case of non-performance by the Subsidiary Company in the event of award of the work to the Bidder Subsidiary Company. An undertaking by the Parent/Holding Company to this effect shall be submitted along with the qualification Bid. A Subsidiary Company intending to pre-qualify on the strength of Parent/Holding Company shall not be allowed to participate as a Subcontractor/Manufacturer to any other bidder.

For the purpose stated herein above in this clause, 'Parent Company' shall mean the 'Holding Company' owning majority (more than 50%) share of such Bidder (Subsidiary) Company. Similarly, by extensions of this interpretation, if "A" is owned by a 'Holding Company' "B" which in turn is owned by another 'Holding Company' "C", then "C" is construed as the 'Parent Company' of "A" as well as and so on. An apex 'Parent Company' may own number of independent Subsidiary/Group Companies and if any of these Subsidiary/Group Company commits assured support and unhindered access to its assets and resources to another Subsidiary/Group Company (Bidder in this case) under the same apex 'Parent Company' then experience and other credentials of such Subsidiary/Group Companies shall be considered for qualification of the Bidder Subsidiary Company provided such commitment is evidenced/authorised and guaranteed by the apex 'Parent Company'.

In case Bidder Company (subsidiary Company) gets qualified and awarded the work package, the Parent/Holding Company will be required to furnish an additional performance bank guarantee of value equivalent to (5%) five percent of the Contract Price for portion of work (where the subsidiary Company is Joint Venture Partner) as the case may be, in addition to normal Performance Bank Guarantee to be submitted by the Bidder Company to the Employer besides entering into a separate Agreement. The experience of subsidiary companies of the Parent/Holding Company will be considered experience of the Parent/Holding Company.

In case a Subsidiary Company participates on the strength of its Apex 'Parent company', the Consolidated Financial Statement of Apex 'Parent company' shall be considered for evaluation of Financial Capacity of the bidder.

10.4.4 The evaluation of Bidder's Specific Experience for a work executed on the JV basis shall be based on his role and scope in such Joint Ventures. To establish his role and scope of work in such Joint Ventures contracts, the Bidder shall adduce documentary evidence such as JV agreement/contract of the work of his claimed experience.

The experience of Bidder who has executed the work as a member of Joint Venture shall be considered in fulfillment of Qualifying Requirements provided:

- a) The allocation of scope of work between the partners of the Joint Venture is clearly defined in the executed JV agreement/contract and bidder/each partner of JV's scope of work executed by him as individual contribution in Joint Venture meets the Qualifying Requirement.
- b) In case there is no specific allocation of work for any work component between the partners of the integrated Joint Venture as per the executed JV agreement/Contract, then the work

the financial as well as Technical requirements specified.

- (viii) The 'Bid Capacity' requirement should be satisfied by individual partner of Joint Venture in proportion to their participation share of works in Joint Venture.
- (ix) The parties shall be required to form the JV before applying for tender which shall be evinced by submitting a copy of the JV agreement already entered into for the purpose. The JV agreement should contain the role and responsibility of each constituent, the proposed participation share of each partner/member along with the items of work to be executed by each partner/member. It shall also be brought out in the JV agreement that in case the Contract is awarded to the JV, each partner of the JV shall be responsible for execution of that item of work for which he claims to have Specific Experience.
- (x) Lead partner of the Joint Venture should have more than 50% share.
- (xi) Sub-contractor/ manufacturer shall submit Performance Bank Guarantee equivalent to 5% of value of the Work sublet in addition to the performance Bank Guarantee for whole contract submitted by the Bidder on award of work.

10.4.2 Sole Bidder / Bidder with Sub-contractor/Manufacturer:

In case Bidder does not have all requisite Specific Experience and also does not wish to enter into a Joint Venture or want to restrict the Joint Venture partnership, he can associate Sub-contractor/Manufacturer for specified activities in which he does not have the relevant experience. The criteria to be met by such Bidder shall be as follows.

- (i) The Bidder himself to fully meet the following:
 - General experience criteria specified in Para 10.3.1,
 - All criteria's mentioned under Financial Capacity,
 - Specific Experience Criteria as specified under Para 10.3.2 (i) and 10.3.2 (ii).
- (ii) Bidder can propose only one sub-contractor/manufacturer meeting the Specific Experience Criteria as specified under Para 10.3.2 (iii)
- (iii) The Bidder and his sub-contractor/manufacturer should submit separate undertakings that the Bidder/sub-contractor/manufacturer shall be responsible for execution of that item of work for which they claim to have Specific Experience.
- (iv) The Bidder and his proposed sub-contractor/manufacturer should collectively satisfy as a whole all the Specific experience requirement.
- (v) Sub-contractor/Manufacturer shall submit Performance Bank Guarantee equivalent to 5% of value of the Work sublet in addition to the performance Bank Guarantee for whole contract submitted by the Bidder on award of work.

10.4.3 Application by Merged/Acquired/Subsidiary Companies:

In case of a Bidder Company, formed after merger and/or acquisition of other companies, past experience and other antecedents of the merged/ acquired companies will be considered for qualification of such Bidder Company provided such Bidder Company continues to own the

experience of the integrated Joint Venture can be claimed by bidder/each partner of JV, provided each partner of JV's share in the afore said Joint Venture was at least 35%.

10.4.5 For the Component of work executed through a sub-contractor, experience for that component of work can be claimed by the contractor in fulfillment of Bidder's specific experience, only if Design and Engineering was exercised by the contractor himself over the work.

11. (a) Each bidder must produce:

- i. The current income-tax challan, PAN No. GSTIN and EPF Registration No.;
- ii. A declaration that the information furnished with the bid documents is correct in all respects; and
- iii. Such other certificates as defined in the ITB. Failure to produce the certificates shall make the bid non-responsive.

(b) Each Bidder must demonstrate availability of technical personnel for construction of work.

12. Even if the bidders meet the above qualifying criteria, they will be subject to be disqualified if they have:

- (i) made misleading or false representations in the forms, statements, declarations and attachments submitted in proof of the qualification requirements; and/or
- (ii) record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.

13. The Employer may impose certain restrictions on the foreign companies participating in any form and their employees in view of the National Security, in the Project situated in the sensitive region and border areas. The Employer shall obtain clearance of Govt. of India regarding security implications prior to qualifications of such Company.

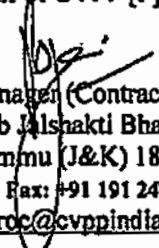

14. Any corrigendum/modification to Bid documents shall be available on website only and the Bidders are advised to visit the site regularly before deadline for submission of Bids.

15. Employer reserves the right to reject the bid at any time during tendering process without assigning any reasons thereof.

16. Bidder are requested to submitted Soft Copy (PDF File) of the Complete Technical Bid Submission in CD/ Pen Drive in following Folders for expeditious evaluation of the Technical Bids by the Committee Members:

- Legal Documentation (MoU/ MoA/AoA/POA etc.)
- Financial Criteria (B/S, other documents for Financial Criteria)
- Technical Qualification Criteria (Certificates/ Other Documents for Technical Criteria)
- Technical Proposal
