*The State Committee of Industry, Energy and Subsoil use of the Kyrgyz Republic announces
an auction on the gold sites on the following objects:*

№ lot	Object	Type of mineral	Type of subsoil use	Location	Geological description	Start price of object
1	Bash-nura area	Stream-gold	Exploration	Naryn oblast, Naryn district	In the 30's and 40's of the last century, some of them were worked out by prospectors. Their repeated study took place from 1937 to 1989. In 1940, the preliminary exploration was carried out in the valley of M. Naryn. In 1940, the exploration started within Chyrpykty area, a geological map of scale 1: 20000 was compiled. The study of Chyrpykty deposit was resumed in 1948-1950. In 1950, the search works were carried out on the Bash-Nur deposits by digging ditches and pits. In 1964, during the survey and evaluation works of scale 1:50 000, was conducted additional exploration. A geological map of scale 1: 50000 was compiled. In 1986-1989, prospecting and evaluation works was carried out within the district. The geological map of the area of scale 1:10 000 was compiled and plans for testing the scales of 1:100 – 1:1000 were made.	2388 (two thousand three hundred and eighty-eight) USA dollars
2	Chetke-archalu area	Stream-gold	Exploration	Naryn oblast, Naryn district	In the 30's and 40's of the last century, some of them were worked out by prospectors. Their repeated study took place from 1937 to 1989. In 1937, the preliminary exploration was carried out in the valley of M. Naryn. In 1964, during the prospecting and surveying at a scale of 1:50 000, an additional exploration was conducted. The geological map of the area of scale 1:50 000 was compiled. In 1986-1989, search and evaluation work was carried out in the district. In 1986-1989, prospecting and evaluation works was carried out within the district. The geological map of the area of scale 1:10 000 was compiled and plans for testing the scales of 1:100 – 1:1000 were made. The Chetke-Archalu area was discovered in 1987.	962 (nine hundred and sixty two) USA dollars
