Chanakyapuri
New Delhi 110021

Dear Sir / Madam,

Sub : Prequalification of Suppliers for "design, build, testing, commissioning and delivery of passenger boats" by KMRL – Reg.

Kochi Metro Rail Limited (KMRL), a Joint Venture of Government of India and Government of Kerala has spearheaded the task of setting up a world class Integrated Water Transport System for Kochi City with a vision to connect the mainland with all the islands in the MTA-Kochi area, reviving the sustainable traditional mode of public transportation. It is proposed to procure total 76 boats connecting 41 terminals. On implementation, the Kochi Water Metro project will be the biggest organized fleet to operate in the world.

KMRL has floated a Request for Qualification (RFQ) for global participation, seeking response from eligible parties who are interested to participate in the manufacture and supply of 36 Nos. passenger steel boats running on hybrid electric propulsion. A copy of the Notice Inviting Tender (NIT) is attached herewith.

We seek your kind support in further circulation of this RFQ document, to the companies engaged in this business in Turkey, so that KMRL can receive a wider response.

Thanking you,

Yours faithfully,

For and on behalf of KMRL

(Joseph Ciby)
Dy. General Manager - Procurement
